

My Story

Ellen Rozsa aka Elena Rose

Special thank you to all those mentioned and everyone else who contributed to helping me with my music career.

I am a college educated microbiologist turned singer whose music career is 15 years. Please visit my sites for Elena Rose . I have amazing stories to tell how I met my record producer, managers, all the tragedy and hardship I've met along the way to produce the Elena Rose 11 Remix CD.

My father was a singer. Both he and my husband passed away from cancer 10 years ago. My husband's parents and brother all passed away from cancer as well. Jerry Russo film producer passed away from kidney disease. My beautiful 25 year old daughter and her fiancé passed away 2 years ago from poisoned opiate abuse. May they all be at peace.

I do this in their memory. I almost died from all the pain. Only by GOD's grace and mercy I am still alive.

I am trying to pick up the pieces of my life with my music. I am proud of the strides I made.

My dream is to be played on NY mainstream ; 106.7 Lite FM, Z100, WKTU

Thank you to everyone who helped me along the way.

Most of all, thank you to GOD for any success I receive. Nothing happens for betterment of one's life without him.

Elena Rose

Peace
